

PSD2 API

Information for Third Party Providers (TPPs)

1 Regulatory Background

With respect to the Directive (EU) 2015/2366 of the European Parliament and of the Council on Strong Customer Authentication and Common and Secure Open Standards of Communication supplementing the Revised Payments Services Directive (PSD2) and the Regulatory Technical Standards (RTS) on Strong Customer Authentication (SCA) and Common and Secure Communication (CSC), Credit Suisse has implemented a PSD2 API which enables certified third parties (TPPs) providing account information (AIS), payment initiation services (PIS) and funds confirmation services to access Credit Suisse client accounts (XS2A).
