Philanthropy Partners in Credit Suisse AG, Mumbai Branch

United Way of Mumbai

United Way Mumbai improves lives by mobilizing the caring power of communities to advance the common good. They focus on health care, education, environment, public safety, social and financial inclusion.

In response to the spread of the coronavirus in India, Credit Suisse supported United Way Mumbai to provide ventilators, other critical medical equipment and protective gear for front line medical staff at government hospitals across Mumbai in 2020.
